RESPONDENTS

THE HON'BLE SRI JUSTICE R. SUBHASH REDDY

W.P. NO. 3073 of 2007

O R D E R

In this writ petition, the petitioner, a Minority College of Education, questions the proceedings dated 16-01-2007, wherein a list of existing B.Ed colleges in the State of Andhra Pradesh, for which recognition was not continued for 2006-2007 was communicated.

It is the case of the petitioner that the petitioner-college was issued a show cause notice dated 16.01.2007 to explain why recognition granted to the Institution should not be withdrawn, on the ground of non-compliance of the condition, namely, construction of its own building within a period of three years. But, at the same time, even before the expiry of the time granted in the show-cause notice, a list was simultaneously communicated to the State Government showing the petitioner-college as one of the colleges for which recognition was not continued for the academic year 2006-2007.

Though, the counter-affidavit is not filed, but it is submitted by the learned Standing Counsel appearing for the National Educational Council for Teachers Education that subsequent to the issuance of the impugned proceedings, a decision has been taken by the Council itself to continue recognition for one more academic year for construction/completion/shifting to their own building. Similar such matter has already been disposed of in view of the said submission

made by the learned Standing Counsel in an identical matter in W.P. No. 1720 of 2007 by this Court.

Following the same, the writ petition is disposed of directing the respondents to allot the students to the petitioner-college for the academic year 2006-2007 as per its intake capacity subject to the filing of an undertaking in the Regional office of National Council for Teacher Education as well as a copy thereof before the Convenor, Ed.CET, 2006 to the effect that it will comply the condition of shifting to the permanent building within the time period of one academic year as extended by the National Council for Teacher Education.

Subject to the above direction, the writ petition is disposed of. No order as to costs.
